

Changes to Utah Legal Notices At-A-Glance

- **Nothing changes until 2012.**

Continue to place your legal notice in the state qualified newspaper of your choice. The newspaper, in turn, will place your legal notice online at UtahLegals.com at no additional charge.

- **In 2012**, all ads in Salt Lake, Davis, Weber, Utah and Washington counties will be placed online through the state qualified newspaper of your choice. You will have the option to place the ad in print as well. Entities in counties of 3rd to 6th class will continue to place notices in a state qualified newspaper, which then posts the notice online.
